Question #	Reference & Page #	Question	Response
1	Washington State Prevailing Wage Rates, Page 1, Trade "Brick Mason"	Can the State specify the westside rather than the eastside prevailing wage for Masons?	No, the Standard Specifications (2010) states in 1-07.9(1), third paragraph, that "By including the hourly minimum rates for wages and fringe benefits in the Contract Provisions, the Contracting Agency does not imply that the Contractor will find labor available at those rates. The Contractor shall be responsible for any amounts above the minimums that will actually have to be paid. The Contractor shall bear the cost of paying wages above those shown in the Contract Provisions."
